Moving on to the shores of the St. Lawrence River, you will find Cape de la Madeleine, a place of peace and tranquility, serenity and beauty and a history going back to 1634. Jesuit Missionaries served the settlers of the new village here, building a little timber chapel in 1659. Five years later it would become the first of Canada’s Catholic churches to be dedicated as a Confraternity of the Holy Rosary. Overnight stay in Mason de la Madone (or similar).

After breakfast in the hotel, you will visit St. Joseph Oratory, the largest in Canada, where Mass will be celebrated. The Oratory’s dome is the third-largest of its kind in the world after the Basilica of Our Lady of Peace in the Ivory Coast, and St. Peter’s Basilica in Rome. In 1904, St. André Bessette began construction of a small chapel on the side of the mountain near Notre Dame College which later grew into a larger church. But, because of the number of visitors it received, a yet larger church was needed and completed in 1917. By 1967, the basilica was completed. A reliquary in the church museum contains

St. André’s heart, which he requested be given as a protection for the basilica. Your afternoon is at leisure. Not to miss is the famous botanic garden. Overnight stay in your hotel.
